Steve, thanks for the support on moving the Sts. John Cultural along. As we decided yesterday, \$20K is good for BOTH my time on R&B and cultural report work for R&B and Gold King. I can have a 60% design ready for the RFQ on Feb. 1 assuming we have the funding in place hopefully by the New Year. Let me know what you need and when in terms of a SOW and budget estimate for CDPHE if that's going to be the funding avenue. -Allen

Allen,

One thing that we need to do relatively quickly is coming up with a ball-park \$ figure for your time and then the Historic preservation report work. Yesterday, I meant to mention that my goal is to get the RFQ out by Feb 1, which would include the preliminary design (60 % ?) details. Does that work for you.

Thanks,

Steve
